Age 70. Retired Science Teacher BSc.

Joint Honours in Physiology and Zoology with Chemistry Subsid., Plus Dip Ed. all at Sheffield University

On retiring from Tonbridge Grammar School for Girls after 30yrs service., I worked as a Trainer of life skills at Pepembury Home for men and women with learning difficulties.

I also taught Primary and secondary school children when I did supply teaching, and I taught Human Biology to adults at Tonbridge Adult Education Centre.

One of my special interests is the Conservation of wildlife. and the environment. I am also interested in trying to reduce the impact of an increase in vehicles on our village.

I joined the Parish Council hoping to use my communication skills to better the understanding of the villagers with the workings of local government
