# BECAUSE OUR EX-FORCES DESERVE THE VERY BEST

---

RBLI would like to invite all those who have served in the Armed Forces and are 65 or over to this Kent-based event in Capel Morris Centre. In recognition of where the Aged Veterans fund originates from we are honoured to have the national Chairman of British Nuclear Test Veterans Association to give a talk on the Christmas Island nuclear bomb tests in 1950's and 60's and on their on-going support to the Veterans who were affected by the tests. The event will also provide an opportunity to meet some new people, to talk to the information stands available on the day and to undertake a free health check.

**Monday 11<sup>th</sup> December 1–4pm**

**Capel Morris Centre, RBLI Village, Hall Road,  
Aylesford, Kent, ME20 7NL**

This event is part of a project to find and support older military veterans
