

COMMUNITY WARDENS

COMMUNITIES WORKING TOGETHER TO BE PREPARED

As we begin to manage what could be a challenging time, we want to ensure all our elderly and vulnerable residents here in East Peckham feel safe and supported and are well cared for. If you would be keen to spare your time to help our elderly, maybe doing shopping, collecting medication or just a friendly call then please complete the Volunteer registration form and return it to Karen Bell (Parish Clerk) at the Jubilee Hall, Pippin Road, East Peckham or to Sandra Edmonds (Community Warden) at East Peckham Library.

We have already been made aware of people cold calling and offering to shop for elderly people therefore we are asking both our volunteers and our elderly to complete a form and sign up. If you have neighbours who you know may be elderly and vulnerable please encourage them to complete a form and get it back to us, we can then have a conversation with them and identify their need before linking them up with the person nearest to them who can help them out.
