

Important Announcement regarding East Peckham Vaccination Centre

Over the last few weeks, we have been working with our Community Warden and Field Pharmacy to coordinate the setting up of a Covid-19 vaccination Centre for our local residents.

All being well vaccinations from the Jubilee Hall will be starting from 04 March 2021, this will however depend on vaccine delivery.

Appointments will be made through the NHS Vaccination Booking System. When you receive your letter inviting you to book an appointment for your vaccine you will now be able to choose to have your vaccine at the Jubilee Hall in East Peckham.

Please do not ring your GP Surgery, Field Pharmacy, or the Jubilee Hall regarding the vaccine as you will not be able to book a Covid Vaccine through those sources.

East Peckham Parish Council, our Community Warden and Field Pharmacy are absolutely delighted that we have been able to bring this service to East Peckham.
