

EAST PECKHAM PARISH COUNCIL

Investment Strategy

In order to work effectively and to be able to fund projects, achieve goals and manage grants and supply services, the parish council must keep some money in reserve.

These reserves are managed in the following ways:

- Earmarked reserves. Contains money that is identified for long-term projects or which can only be spent on a specific project because it is a grant.
- Unallocated cash reserve will be maintained at about 33% of the 'normal' annual expenditure of the Parish Council and if necessary extra money will be added.

Reserves benefit the parish as: the interest attracted can be used to keep the precept down; the parish council can act quickly to a sudden community need.

The parish council annually reviews its need for and the size of its reserves.
